

ZONTA'S "HANDS-ON" SERVICE DIRECTORY

The motto of ZONTA INTERNATIONAL is "changing the world through service and advocacy." We want to continue serving in ways that are meaningful for the givers, as well as the receivers!

As we redefine the mission and vision of our Chapter, we want to reaffirm the importance of service and advocacy, particularly in two areas of concern:

1. Violence Against Women
2. Women's Literacy/Education.

The HANDS-ON DIRECTORY is a resource regarding local agencies that provide support for women. Z-Club information is also included to encourage a practical way of mentoring these young women to develop the heart of service that we Zontians value.

We are asking that you would...

- Participate in at least one project (individually or with other Zontians or with a friend or with family members).
- Share what you did with Joann Karg (joannek204@hotmail.com) of the Service Committee or write an anecdote for the newsletter! It feels so good to do acts of service and hearing about it inspires others to do the same! We'll remind you at each ZONTA meeting!

We hope this directory helps you find ways to serve and expands your knowledge of these agencies.

Thanks for all you do to serve and empower women!
